Use of Toilet facilities  Ignoring Covid 19 protocols leading to Infection.	Staff Clients Students	Where anyone needs to use toilets then they must follow strict and stringent hygiene and social distancing protocols as set out in the risk assessment documents.  We are adhering to all government advice and guidance in respect of social distancing and hygiene.  Hand wash provided along with hand sanitizer. All toilets cleaned between uses by Centre staff who will be using PPE.		All staff and clients		
Social Distancing Ignoring Covid 19 protocols leading to Infection. Insufficient information, supervision and instruction	Student Client Staff	Counselling rooms set out so that no members of staff/public/student are within 2 meters distance of each other throughout the whole of the session  Every one visiting the Centre will maintain a space of 2 metres distance where practicable when they arrive at any setting.  Both counselling rooms have hand sanitizer available at all times.  Appointment times staggered to ensure there are not too many people in the Centre at one time.  People attending the Centre will provide their own drinks.
